**Rangebank Fete**
Have you bought a raffle ticket for our wonderful fete. The prize is a uni-sex bike provided by our friends at Amart Sports on Dandenong Road. Our Fete begins at 4:00 and will finish at 7:00. Many hours have been spent preparing our children to support the fete and on behalf of the school, I thank you. The lucky jars and soft drink will be well used on the night. There will be lots to do and eat so come and enjoy a fun evening.

**Ride2School**
National Ride2School Day is the perfect opportunity for Australian students and school communities to embrace a healthier start and to try walking and riding to school for themselves. This annual event is also on Friday (13th Mar). We will be holding a short assembly at the beginning of the day where we are receiving an award for a school that actively participates in the Ride2School annual event.

**Crazy Hair Day**
Did you see the hair styles that were on display for our Crazy Hair Day? No, well please check out some of the photos later in this newsletter. Amazing. With our children looking so smart in new uniforms, it is one day we can all let our hair down or up or coloured or layered or cropped.

Parenting Advice 2015

How can I help my child to develop a strong sense of identity?
Value what is unique about your child and accept your child for who they are right now:
Pay close attention to your child’s attempts to communicate or interact with you – this tells children they are important and valued. Acknowledge what your child says or does without being dismissive or judgmental – this tells them it is safe to express feelings and opinions.
Encourage your child to make choices and decisions (within appropriate limits). This recognises that your child is able to make decisions.
When your child says ‘I can do it’ – let them try. Support your child’s efforts to be more independent (while still offering your guidance).
Encourage your child to solve problems or to keep going when things get tough. This builds your child’s resilience and sense of wellbeing.
Help your child to learn how to treat others:
Give your child time to play alone and time to play with others.
Hold back and see if your child can fix their own problems or disagreements (but be ready to step in when they need support).
Model care, empathy and respect in your own interactions with children and other adults.
Older children will be able to understand that some people have differing needs and they learn to respect the rights, feelings and efforts of others. As they grow they will be able to behave appropriately in a range of social situations and begin to develop and exhibit appropriate behaviours for maintaining positive social relationships.
