**Indian Exchange**
Our Indian visitors flew out on Monday morning bound for Hong Kong and then Delhi. A total of about 14 hours flying. It was a delight for us to have them visit us, for us all to learn from each other and share our common threads—of which there are many. We look forward to a return exchange to India in 2017. Can we thank Mrs Vimmi Ghai and Mrs Supriya Sharma for coming with the children to support their visit to Rangebank. Both these outstanding teachers pitched in and made a significant contribution to our program. Thank you to all our hosting families and the Rangebank community for making our Indian sister school delegates feel so welcome.

**Diwali**
On Saturday afternoon our bluebells visitors were invited to the stage to present to the VIP’s on stage a lai of flowers. Although the weather was poor, it was a wonderful event with music and dance a feature.

**Diwali Annakut at Parliament House**
I was invited to attend a special exhibition at Parliament House in the Queens Hall on Monday night. There were leaders of both parities both in government and opposition together with the Indian Consul-General, Ms Manika Jain. It was a very special celebration in the Indian calendar, and as the representative of Rangebank Primary, I was pleased to attend.

**Invitation**
Our new *The Leader in Me* program has a celebration day coming up soon. If your child has flourished with any one or all of the 7 habits, please let me know as I would like to highlight your child.

Parents Advice
How to teach kids Emotional Intelligence

Emotions are now part of the parenting and educational
mainstream! So this term we shine a spotlight on Emotional
Intelligence. Current day muse Dr. Marc Brackett, Director of
the Yale Center for Emotional Intelligence says, “Emotions
matter as they drive learning, decision-making, creativity,
relationships, and health.”

This is not to say that we ignore children’s poor behaviour,
neglect to set limits or not ask anything of them when they’ve
experienced hardship at school. Accepting and recognising
emotions is an added layer in our interactions with kids, which
may well be the missing link in building cooperation,
connection and resilience.

The limits of many parents’ emotional vocabularies are
matched by the limitations in method as well. Most parents
when asked can provide plenty of ways to raise a well-
behaved child but I suspect many would struggle if asked to
name three or more ways to build their children’s emotional
smarts. This is not a criticism but an acknowledgement of lack
of training in the area.

Our parenting articles on Emotional Intelligence and, back by
popular demand, Mood Meter Program for Parents will
provide a focus for you to support your school community in
this area.

Kids Dream Day

Rangebank Primary School is happy to once again, take part in our annual fundraiser Kids Dream Day which supports the Isabella and Marcus Paediatric Brainstem Tumour Fund.

Kids Dream Day is a gold coin fundraising event.

7 years ago, a friend lost her son to a brainstem tumour. He was 5 years old. Isabella was 6 years old when she lost her battle. Together both families have established the Isabella and Marcus Paediatric Brainstem Tumour Fund. The aim of the Isabella and Marcus Fund is to raise much needed awareness and funds to research paediatric brainstem tumours. Since 2013 the fund has received $300,000 which has funded scholarships to study brain cancer in children.

The theme of Kids Dream Day is about imagination and creativity. Isabella dreamt of being a scientist and Marcus wanted to grow up to be a worker like his dad. We encourage your child to dream of their future role in society and dress accordingly, whether it be a fireman, builder, sports star, professional dancer or perhaps a teacher.

All proceeds raised will go directly to the fund so that research can continue.

On a personal note, I would once again like to thank you and hope you continue to support and encourage your child to dress according to their future dream, on Friday 4th November.

Thank you in advance for your support Miss Moisi.
Dear Parents,

We are excited to confirm that we will be moving into our very own Brand NEW Purpose built, Portable at the start of the new Term 2017. This will be located near the Junior Building (Preps) and with easy access to staff and public car parks. We will update you as we progress.

We are grateful to Mr. Colin Avery Principal, and School Council, for facilitating this move. Our children are going to love it and we have great programs planned for the new Year.

BOOKINGS are now open for 2017. Please remember, we have limited places, so it is important you enrol your child as early as possible to secure a place. Information packs are available at the OSHC, during OSHC hours, or you may pick one up from the school’s main reception.

From January 2017, Full Time attendance at both morning & afternoon sessions will be given a 2.5% discount off their fees.

For 2017, we are offering a sibling discount of 2.5% for the second and subsequent siblings, for booked days of 3 days or more per session.

We are fast approaching the end of Term 4. Some parents have approached us for Vacation Care. Due to lack of numbers, we were unable to conduct our Vacation Care in Term 3. Christmas is a busy period and because of the break in holidays, we will try and accommodate with Vacation Care for part of the Holidays. If you require this service, please complete an expression of Interest form available at the school Reception and return to us before the 16th Of November. Alternatively, you may call us on the numbers below for more information. Unfortunately, If we do not have enough numbers, we will not be able to run the programs. Please assist us with your early confirmation.

Thank You
