

What to Bring to School on the First Day!

✓ **All your child's books, pencils etc.**

Please name them. We keep their spare books and pencils in the cupboard in bags with their names on them and hand them out when they need them.

✓ **A named Art Smock.**

We use these in the classroom and art room.

✓ **2 boxes of tissues.**

✓ **Your child's school hat (WITH NAME CLEARLY VISABLE).**

The students keep these at school in their chair bag. They must wear them during terms 1 and 4 and it is optional in terms 2 and 3.

✓ **Lunch, healthy snack, bottle of water and a piece of fruit.**

✓ **All personal belongings (such as school clothes, lunch boxes and drink bottles) to have NAME CLEARLY VISABLE.**

✓ **Any medications such as ventolin/puffers and spacers are to be named and given to Brooke our First Aid staff member.**

These are kept in the sick bay. Medications can only be given once parents have signed a medical permission form.
