Dear Families,

Dependent International Students are those whose parents are studying as international students at a registered Victorian Tertiary institution and hold a 570 or 572-575 Student Visa.

Dependent students travel under their parent's student visa and are usually covered by Overseas Student Family Health Cover (OSFHC).

All parents of students holding such Visas and intending to enroll at Rangebank Primary School must complete BOTH the online International Student Application process (see below) as well as completing the local school enrolment form.

Online application can be found at <https://www.study.vic.gov.au/>

Permanent Resident Visa holders are awarded the same status as Australian citizens when enrolling at a Victorian private or government school.

In some cases above, full International Students Fees will have to be paid, however some Visa classes are exempt. Click here for a full list of [Visa Subclass and Conditions For Enrolment in a Victorian Government School](#).

Should you have any enquiries regarding the online application, please contact the International Student Program Unit on +61 3 9637 2990 or email [international@edumail.vic.gov.au](mailto:international@edumail.vic.gov.au)

Kind regards,
