

Dear Parent/Guardian,

Rangebank Primary School is looking forward to another great year of teaching and learning and would like to advise you of Rangebank Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. We acknowledge that parents and carers support the school in many ways and this support makes a significant difference to our school and the programs we can offer.

The environment and resources that we enjoy today represent the contributions made by our parent/carer community over many years. Parent/Carers voluntary contributions make significant difference to the quality of our programs. This financial support ensures that we can continue to provide an excellent range of facilities and resources for you children. Your support in 2022 allowed us to:

- Provide high quality programs and specific subject materials and equipment for: English, Mathematics, Science, Art, Music, Language and P.E.
- Maintain and develop the school grounds (including resurfacing ball court spaces, landscaping play areas, and installing new playground equipment).
- Ensure the upkeep of our computer devices to enhance the learning experience.
- Maintain sufficient class sets of books for students to develop their reading skills.
- Facilitate Literacy and Mathematics online digital subscriptions.
- Provide a wide range of sporting equipment and programs.
- Arrange for individual student supplies and class bulk stationery supplies.
- Offer effective First Aid for all students.

For further information on the Department's Parent Payments Policy, please see a one-page overview attached.

Yours sincerely,
