## WORKING WITH CHILDREN CLEARANCE REGISTER PROCEDURE

### PURPOSE

To ensure compliance with the requirements of the Minimum Standards for school registration, including the [Child Safe Standards](#), Rangebank Primary School maintains a register of all employees, volunteers and visitors (including contractors) Working with Children Clearance (WWCC) details, where they are required to have one under the *Worker Screening Act 2020* or under our school or department policies.

The register includes each person's:

- name
- clearance number
- expiry date

This procedure outlines how our school maintains this register. It also outlines the required process for entering WWCC and Victorian Institute of Teaching (VIT) registration information onto eduPay.

### PROCEDURE

#### VIT registration and WWCC requirements

All employees of Rangebank Primary School employed to undertake teaching duties must be registered with the VIT. This includes Casual Relief Teachers (CRTs). Staff with VIT registration do **not** also require a WWCC.

All employees of Rangebank Primary School employed as education support staff, or in roles that are non-teaching roles, must have a current WWCC (unless they have VIT registration).

Employee VIT registration and WWCC details must be recorded in eduPay. Procedures for staff to enter VIT registration and WWCC details into eduPay are set out in the [Update Victorian Institute of Teaching and Working With Children Check card details](#) quick reference guide.

All volunteers and visitors (including contractors or staff placed through agencies/third parties) who are engaged in child-related work or are required to have a WWCC under our school's [Volunteers](#) or [Visitors](#) policies will be required to provide evidence of a current WWCC.

WWCC details will be recorded in our WWCC Register.

### Be Respectful Be Safe Be Kind Be a Learner

Any employee, volunteer or visitor who does not have a current satisfactory WWCC or VIT registration where required under this procedure, will be removed from their duties until such time as they provide satisfactory evidence of their clearance.

#### WWCC Register

Our school maintains the WWCC Register in the administration (U:) drive on the local network.

#### Adding new employees, volunteers and visitors to the WWCC Register

Rangebank Primary School's Business Manager and administrative staff are responsible for sighting, verifying and recording WWCC information for any new employee, volunteer or visitor (where applicable), under the following process:

1. Record the relevant WWCC clearance details in the school's WWCC spreadsheet on the U:drive
2. Ensure the WWCC card type is correct (Employee or Volunteer)
3. Retain a copy of any documentation sent by the Department of Justice and Community Safety such as the letter of confirmation for employees and any volunteers or contractors who have listed the school on their WWCC details, and records of any other child safety suitability checks (such as reference checks) in the employee file or relevant file for visitors and volunteers WWCC information.

#### Ongoing maintenance of the WWCC Register

1. At the beginning of each school year the Business Manager will review all WWCC and ensure updates are made to the register where required and note where clearances are due to expire during the year.
2. Where the check is expiring during the year the Business Manager will contact the WWCC holder to remind them that their WWCC is due to expire and to request updated information once it has been renewed
3. When the updated information is provided the information is entered into the appropriate register
4. Where a person's WWCC status has changed to indicate a concern (eg expired, suspended or revocation of clearance) the Business Manager will inform the principal immediately and steps will be taken to ensure the person is removed from their duties until such time as they provide satisfactory evidence of their clearance.

### Employee VIT or WWCC information on eduPay

Upon engagement of a new employee the Business Manager will follow the [eduPay User Guide: School Appointments](#) to ensure they are properly entered into eduPay (regardless of whether they are Department or school council employees) including:

- checking that employees have been entered correctly as either a teacher (if they are performing teaching duties) or education support staff, and that valid and current VIT registration or WWCC information (as applicable) has been entered into eduPay by the staff member
- for employees who have entered WWCC information, checking that the card type is entered as 'Employee' and verifying the WWCC details through the process outlined above.

VIT registration status is verified and monitored through a centralised process between VIT and the Department of Education and Training and our school will be informed by the Department of any change to VIT registration status that requires action.
