

Be Respectful Be Safe Be Kind Be a Learner

Dear Families,

Our Foundation enrolments are now open.

We are always ready to welcome Foundation students as they begin school life at Rangebank Primary School.

Starting school is a big change and it is important that all children feel happy and secure at school. We have an excellent Foundation transition programme that generally takes place during October and November. We will send further information regarding this program at the beginning of October. In the meantime, you can organise to take a tour of the school by calling the office on (03) 5996 8900.

To start primary school your child must be five years of age, or older, by 30 April of the year that they start school. Rangebank Primary School starts taking enrolments as early as May the year before your child is due to start school.

There are two ways to enrol your child at our school:

1. Email the office to register your interest and request an enrolment form:
rangebank.ps@education.vic.gov.au

OR

2. Complete a hard copy enrolment: [CLICK HERE TO DOWNLOAD](#). Complete the form and either drop it into the office, scan and email or post it to the school address at the bottom of this letter.

If you have any queries, please do not hesitate to contact us.

Kind regards,

Ms Adriana Allan
Principal
