Rangebank Primary School OSHC before and afterschool care

At Rangebank Primary School OSHC, we offer a range of services and activities to support children and their families.

Before School Care

1. **Healthy Breakfast:** Nutritious breakfast options to ensure children start their day with energy.
2. **Homework Assistance:** Support with completing homework or studying for tests.
3. **Quiet Reading Time:** A designated quiet area for reading or other calm activities.
4. **Games and Activities:** Age-appropriate games and activities to engage children before school starts.
5. **Safe Environment:** A safe and supervised environment where children can relax before school.

After School Care

1. **Snack Time:** Healthy snacks to refuel children after their school day.
2. **Homework Help:** Assistance with homework to help children complete assignments on time.
3. **Enrichment Activities:** Various enrichment activities such as arts and crafts, music, sports, and STEM projects.
4. **Outdoor Play:** Supervised outdoor playtime to encourage physical activity.
5. **Social Skills Development:** Opportunities for children to develop social skills through group activities and peer interaction.
6. **Reading and Literacy:** Activities and programs to promote reading and literacy skills.
7. **Special Programs:** Guest speakers, special workshops, or themed events to enhance learning and fun.
8. **Quiet Time:** A quiet area for children who need a break or prefer low-key activities.
9. **Parental Communication:** Regular updates to parents about their child's activities and progress.

General Services

1. **Safe Environment:** Ensuring a safe and secure environment for all children.
2. **Qualified Staff:** Trained and experienced staff members who are passionate about caring for your child and their development.
3. **Flexible Scheduling:** Options for part-time or full-time care to accommodate different family needs.
We welcome casual bookings for last minute arrangements.
4. **Inclusive Environment:** Programs and activities designed to be inclusive and supportive of all children.
5. **Emergency Procedures:** Well-defined emergency procedures to ensure children's safety in any situation.

Vacation Care – Holiday Care Program

Themed Days

1. **Superhero Day:** Dress up as favorite superheroes, engage in superhero-themed activities and crafts.
2. **Science Day:** Fun experiments, science-based games, and visits from scientists or science educators.
3. **Cultural Day:** Explore different cultures through food, music, dance, and crafts.
4. **Sports Day:** Various sports activities, mini-tournaments, and skills clinics.
5. **Art and Craft Day:** Creative art projects, craft-making sessions, and possibly a mini art exhibition.
6. **Nature Day:** Outdoor activities like nature walks, gardening, and environmental education.
7. **Pirate Day:** Treasure hunts, pirate-themed games, and dress-up activities.
8. **Space Day:** Space-themed crafts, learning about planets and stars, and possibly a visit from an astronomer.
9. **Animal Day:** Activities related to different animals, visits from petting zoos, or educational talks about wildlife.

Excursions

1. **Zoo or Aquarium Visits:** Learning about animals and marine life.
2. **Museum Trips:** Educational visits to history, science, or art museums.
3. **Local Parks or Gardens:** Outdoor play and nature exploration.
4. **Theater or Movie Outings:** Watching a child-friendly play or movie.
5. **Sports Venues:** Visits to local sports arenas or stadiums, possibly meeting athletes.
6. **Amusement Parks:** Fun day out with rides and entertainment.
7. **Library Visits:** Storytelling sessions, book readings, and library tours.
8. **Farm Visits:** Learning about farm animals and agriculture.
9. **Local Landmarks:** Exploring local historical or cultural landmarks.

Incursions

1. **Guest Speakers:** Inviting authors, firefighters, police officers, or other community helpers to talk to the children.
2. **Performances:** Hosting puppet shows, magic shows, or musical performances.
3. **Science Workshops:** Hands-on science experiments and demonstrations.
4. **Animal Encounters:** Visits from animal handlers with various animals for children to learn about and interact with.
5. **Art and Craft Workshops:** Sessions with local artists or craft experts.
6. **Cooking Classes:** Fun and educational cooking sessions.
